Control Number Block. Will contain a six character control number.

(1) **Organization.** Enter the name of the activity or organization accepting the item into the Army inventory.

(2) **Location.** Enter the location and zip code of the activity in block 1.

(3) **Unit Identification Code.** You will enter the UIC of the activity in block 1. Will not be blank. Do not use the 6 position DODAAC.

(4) **Utilization Code.**

a. Will contain code V for passenger-carrying and general purpose vehicles (formerly called Admin-use vehicles).
b. Leave blank for other equipment.

(5) **Vehicle Use Code.**

a. For all non-tactical wheeled vehicles, as listed in appendix E, table E-4, you will enter the code that applies to the equipment's use in this block:

A—Army operated. Includes any Army-owned passenger carrying and general purpose vehicles listed in appendix E, table E-4, used or operated by Army personnel (GOGO).

B—Contractor operated. Includes any Army-owned passenger carrying and general purpose vehicles listed in appendix E, table E-4, that are furnished to contractors by the Department of the Army for contractor use (GOCC).

R—Facilities engineering vehicles. Includes special purpose (commercial) and military design vehicles used by installation real property management activities.

X—All other special purpose vehicles. Includes all other special purpose vehicles not covered by code R.

b. Leave blank for other equipment.

(6) **Nomenclature.** Enter the abbreviated noun. Will not exceed eight digits. You may use AF 700-138 to determine the correct abbreviation.

(7) **Model.**

a. For OTHER than passenger carrying and general purpose vehicle, enter the model of the item.
b. For passenger-carrying and general purpose vehicles, this block will contain the Line Item Number (LIN) for the item as listed in appendix E, table E-4, or SB 700-20.
c. For watercraft, enter the hull design number.

(8) **National Stock No.** Will contain the NSN of the item.

(9) **Serial No.**

a. You will enter the complete serial number of the item. Make sure you list ALL characters and numbers making up the serial number, to include any preprinted suffix or prefix.
b. For equipment with no serial number, use the preprinted control number on the form. This control number becomes the permanent serial number for the equipment on all forms and records.
c. For watercraft, enter the hull number.
d. For vehicle mounted weapon systems, like the M113A2 TOW, etc. use the vehicle serial number.

(10) **Registration No.**

a. You will enter the registration number assigned to the item.
b. If the equipment is not under the Army Vehicle Registration Program, leave blank.
c. For watercraft, enter the registration number if one has been assigned. If not, use the hull number.

(11) **Year of Mfg.**

a. For OTHER than passenger carrying and general purpose vehicles, you will enter the two-digit year the equipment was manufactured. Put

Legend for Figure 6-7—Continued**ATTACHMENT C**

the letter M before the two numbers. For example, for an item manufactured in 1980, enter M80.

b. For non-tactical passenger-carrying and general purpose vehicles, you will enter the four-digit model year: 1980, 1981, etc.

(12) **Manufacturer.** You will enter the name and five-digit code for the manufacturer here. You will find the manufacturer's codes in the equipment manuals SB 708-41/42 and SB 708-43.

(13) **Contract No.** Enter the contract number under which the item was bought. For passenger carrying and general purpose vehicles, this block will contain the procurement contract number, e.g., DAAE07-71KK-C-006 or GS-006-05892.
